

# Homeplace Farm

*Patty and Paul A. "Beau" Wallace, III*  
Marlboro County - 348 acres

*With over 290 acres of important farmland soils, small stream hardwood forests, spring-fed ponds, and visible highway frontage on US Route 1, Homeplace Farm boasts significant forestry and agricultural potential and wildlife habitat. As the 3rd generation in the family to own Homeplace Farm, Beau enjoys working the land and remembers his childhood spent on the farm with his grandparents, Ethylene G. and Paul A. Wallace, Sr. (S.C. Senator 1946-1958).*
